

Topline Questionnaire

**Pew Research Center
Spring 2017 Survey
May 24, 2017 Release
(Corrected June 28, 2017)**

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, see Methodology section and our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100%, because they are based on unrounded numbers.
- Since 2007, the Pew Research Center has used an automated process to generate toplines for its Global Attitudes surveys. As a result, numbers may differ slightly from those published prior to 2007.
- Not all questions included in the Spring 2017 survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.
- Throughout this topline, data for Greece and Italy have been corrected to reflect a revised weight.
